Subject: Comm. v. [REDACTED] Woburn Superior Court (Middlesex)

Hello all –

This is an oxy trafficking case that is scheduled for an argument on joinder (of the two cases) on 9-27-11. Technically DeStephan already has a trial date of 10-3-11 but I expect that will be postponed until at least a couple weeks later. I just wanted to flag this case for you – if they are joined, I will need all three of you, and wanted to see if there were particular dates that did not work for you that I would need to stay away from when picking a trial date.

This is a complex, multi-witness case, so there could be some flexibility as to the order in which you were called. Let me know when you have a chance.

Dave
